

## Outdoor furniture

Tyrec rubber products are made from 100% recycled tire rubber; they are safe and environmentally friendly. The products are designed and manufactured for use in a wide range of applications in both public and private spaces. The unique properties of the rubber enable long-term durability. The products do not rust or peel, and do not require repainting. The products are easy to install, resistant to harsh weather conditions, and require little maintenance.

Design by: **סטודיו 16** פיסול מרכזי

## Pear seat

Dimensions	Height (cm)	Height of seat (cm)	Width of seat (cm)	Weight (kg)
Pear seat	76	45	40	110

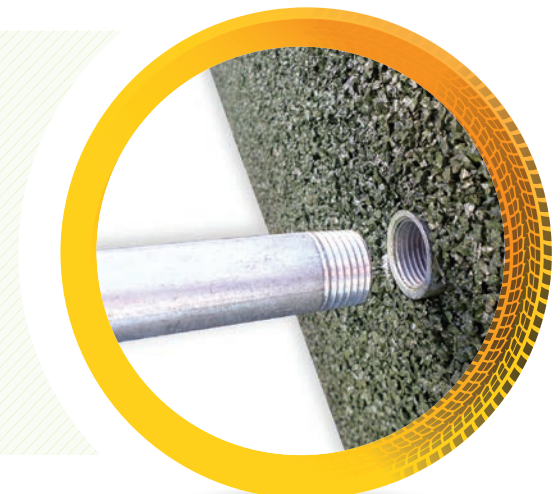

## Dog image

Dimensions	Height (cm)	Width (cm)	Length (cm)	Weight (kg)
Dog image	45	75	110	83
